Re: FOIA Request

Dear Mr. Hansen:

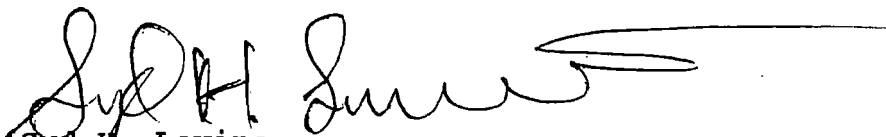

Enclosed is a copy of the computer data page for the JAF Oil Company, Inc. Administrative Order, Docket No. 4-UICC-029-89. (Before you get excited, this document came into my hands in a perfectly legal manner.)

Please furnish copies of each of the four versions of said Administrative Order as reflected by the four dates. I believe the 1/26/90 and 7/16/91 revision were both AOC versions, and the 9/18/91 and 12/19/91 were both unilateral versions. I would further request copies of any cover or transmittal letters that may have accompanied said Administrative Orders.

Time is of the essence in this request, and I will remind you there are deadlines in FOIA. I understand there may be a duplicating fee and hereby give assurance that any such fee will be paid.

Thank you.

Sincerely,

Syd H. Levine
